The WSDA Organic Food Program has reviewed the materials listed below and determined that, based on all information submitted, each product meets the requirements for organic food production and handling under the National Organic Program standards. WSDA does not provide any guarantee or warranty for any of the materials included on this list, nor offer an endorsement to any product. Updates are mailed in the Organic Food Program Quarterly Report and can be found at [http://agr.wa.gov/FoodAnimal/Organic/default.htm](http://agr.wa.gov/FoodAnimal/Organic/default.htm). If you are not a WSDA certified operation, check with your certification agency prior to the use of any material.
